

Camel B-B-Q

"It was fantastic! Exceptional service and the food was amazing!"

Dianne Williams. Pakenham, Victoria.

This fantastic adventure begins an hour(ish) before sunset. It leaves from Pichi Richi Camel Farm and travels through mallee scrubland. As the sun sinks lower on the horizon you'll leave Devils Peak behind you and an easy descent from the ridge will find you in the Pichi Richi Valley. This valley is bordered on one side by the ridge you have just ridden down and to the other the towering red cliffs of the Dutchman Escarpment. A small and usually dry creek bed meanders through this valley, dotted by ancient River Red Gums.

Because of the time of day you'll get to see plenty of kangaroo's and wallabies, sometimes even an emu or two and occasionally Eddie the Echidna. The views over the township of Quorn, across the Willochra Plain to the Horseshoe Range beyond are stunning.

An hour after beginning your ride you will arrive at an open air b-b-q setting, in the middle of the bush. Spend a few minutes, glass of wine in hand, watching the sun set and the first stars wink on in the evening sky.

Our gourmet b-b-q menu has been personally designed by Jannene, based on some of her favourite native foods. This will be a two course gourmet adventure for your palate. Check out our [sample menu](#)! After you have relaxed by the fire, sipping coffee and absorbing the sounds of the bush, a short walk will take you back to Pichi Richi Camel Farm and the conclusion of your evening.

Departs every evening. Departure time confirmed on booking.

Minimum two persons for all tour departures or single supplement prices can be arranged on application.

Costs;

Adults.....	\$85.00 per person
Children (12 & under).....	\$65.00 per person
